Michael, I am replying to you via Shara as she forwarded your note to me.

Mr. Grace's letter to Malcolm Tuttle of 18th November 2008 was distributed and viewed by the Queensland Racing Board at that time. It was agreed that no further action be taken. I can see little benefit in the Board's schedule to once more have this letter as an agenda item. However, you may wish to bring this up as an item of discussion in general business. I do not believe there is any more stomach for the regurgitation of this item than there was when it was previously discussed and digested.
