Dear Mike

**RE: PRODUCT AND PROGRAM AGREEMENT AND RACE INFORMATION
LEGISLATION**

I refer to your letter dated 28 May 2009, concerning the above matter.

Following the Queensland Race Product Co Limited Board Meeting on Thursday, 4 June 2009, I have been asked by my fellow Directors to follow up your correspondence, that is, they do not believe that your correspondence has addressed the information sought in relation the Product and Program Agreement (Agreement).

In light of the above, I seek the Queensland Government's **urgent** view in relation to the:

- (a) commercial intent of the Agreement when first drafted in 1999, and
- (b) the implications/effect on the Agreement due to the recent introduction of Race Information Legislation.

I look forward to your reply and clarification in relation to this matter.

Yours sincerely

TONY HANMER
Chairman
