ISW 6.6 - has applied again. charges
Unit at 1.5% of \$100.
approval to publish NSW case files
= \$50K cost/month.

To meet NSW & Vic.

3/06 \$475K.

30 codes cost \$18M annually.

QK applies new ref @ 1.5%

Reality - QK supplies to others.

RISK

- award by R.P.A.

ACTION

- OR - 18% share (copy of R.P.A. H160 column) - ER R.P.A.

- provide some saving info - results.

- sell information to entities - provide

- info to wages operators (e.g. Unilever)

- to non-wages operators (publishers)

Approval of Unilever given its supply info to firms 5 to 6 years ago.

Unilever - how they buy it as handle for firms.

- supplies at small charges.

Result of Reg. - of Unilever + Jaleco

are required to pay a fee of

use of saving information - why

that they do not buy it

Unilever's saving material to wages operators.

Other State Reg. action significant change

for use & publication of info - a charge 1.5%

Unilever 80% return...

Unilever now make cl. 7.5 (A) request on their Reg.

No © license for R. to supply to non-qualifying firms.

RRR - using same language as R.P.A.

- saving saving material not "information"

----	----------	--

		Not a party to finalisation of PPA 1. Engagement – Letter of <u>Priorities</u> – determine Racing Information "free supply of information" Qld PPA <u>Racing Qld 2002</u> 2. Agreement – intended to provide certainty at time – required because product supply was based on a handshake. Free Xchange of racing info tested – Race fields legln. – entitlement of wager operating for public info. NSW Waterhouse v NSW RB – W forbids a NSW product but not publishing it. Vic (legln) in place – recognised contrib to industry from wagering operation. NSW RB - has applied legln charging Unitab 1.5% of turnover. approval to publish NSW race fields = \$500k cost/month To negate NSW and Vic 9/08 \$475k 3 codes cost \$18M annually If QR applies race info @ 1.5% Reality – QR supplies to others. <u>RISER</u> – owned by QPA - QR – 18% share (coy ltd by shares MT to advise) – Other QPRA - provide same racing info – results. - sell information to entitles– provide info to wager operators (e.g. Unitab). to non wagering operators.(publishers) Approval of Unitab given to supply info to Riser <u>5 to 6 years ago</u>. Unitab – buys it as bundle from Riser. - supplies at <u>small charge</u>. Result of legln. – If Unitab & Tabcorp are required to pay a fee for use of racing information – why does it then buy it. delivers wagering material to wagering operators.. Other States legln allows significant charges for use & publication of info –
--	--	---

		charge 1.5%. Unltab 84% return. Unltab never made cl. 7.5(d) request on Riser Agt. No © licence for R to supply to non-operating ???. AAR – using same language on Riser – say racing "material" not "Information". 7.5(c) – there will be no reciprocal Competitors – racing industry – thoroughbred – Competition. Reduction \$120m. 28% of revenue is derived from Unltab. Lost from NSW and Vic.. $\frac{1.5}{4.7} = \frac{3}{9}$ PPA + Unltab laws Unltab has to return 84% Gross Wagering – 39% of what it has?? S 109 NSWR Imposes a charge on Unltab to give. Q1 - 7.4(l) & 9.5 Effect – obligation Q2 – 7.5(c) and 10.2(d) Supply of information for a non-wagering operator – this deals with licence of copyright – build into authority.
